"Hiccup!" a voice shouts from above. Hiccup looks up to see Astrid and Stormfly.

"Astrid." Hiccup greets. "Is everything okay?" Hiccup asks.

"Okay, where have you been?" Astrid asks.

"Nowhere, what's going on?" Hiccup asks worry.

"We have been looking for you all day Hiccup." Astrid tells him.

"Sorry." Hiccup said.

"Come on, let's head back." Astrid said as she flies off. Hiccup gets on Toothless and the followed her. "So what were you doing?" Astrid

asks.

"Just thinking." Hiccup replies.

"What about?" Astrid asks

"Just, we can't be the only ones that ride dragons." Hiccup explains. "And Toothless can't be the last Night Fury."

"Still going on with that." Astrid said and Hiccup sighs.

"I know, it's silly." Hiccup said. "Come on bud, we'll do one more lap before heading home." he said and they headed off.

"Hiccup!" he heard Astrid shouts and he looks next to him to see her.

"I'll be back soon Astrid." Hiccup tells her.

"Wait." Astrid said as she looks down at a beach and Hiccup looks down too. "Is that, what I think it is?" Astrid then said

"A girl." Hiccup said and the pair flies down to see a young girl, around their age by looks, lying in the sand. She has long light brown that is in a ponytail and is wearing a long, a light blue shirt, a brown vest, dark pants and brown boots.

"Is she, dead?" Astrid asks as Hiccup slowly walks up to her.

"No, she's breathing." Hiccup replies.

"Should we wake her?" Astrid asks.

"Well we can't leave her here." Hiccup tells her as he grabs the girl's shoulder. The girl moans and looks at Hiccup weakly with her eyes half open. Hiccup notice she has deep blue eyes. She then fully woke up, her eye widen in fear as she crawls away from Hiccup who looks at her worried. "Hey, we're not going to hurt you." Hiccup tells her and the girl looks around scared.

"I wonder how she got here." Astrid said as she walks next to Hiccup.

"I don't know, there's no boat wreck." Hiccup said and the girl looks at them. "Hello, my name is Hiccup and this is Astrid" Hiccup introduced and Toothless walks next to him.

"H-hello." the girl softly.

"It's okay, Toothless and Stormfly won't hurt you." Hiccup assures her.

"So, what's your name?" Astrid asks.

"My name, it's Maria." Maria whispers. "Where am I?" she then asks.

"Berk." Hiccup replies. "You should come back with us, we can get you something to eat, drink." he then offers and Maria looks at the ocean.

"Uh sure." Maria whispers as she got up, brushing the sand off her.

"Toothless." Hiccup said and Toothless nods. Hiccup then gets on Toothless, putting his had down and Maria sighs as she grabs his hand, getting on. Hiccup looks at Astrid who was already on Stormfly and ready to go. "Come on." Hiccup said and they took off. They started to head back and Hiccup looks at Maria who was looking around. "Are you okay?" Hiccup asks

"Uh yeah." Maria whispers. "How would the people of your village react to me, being here?" Maria asks worry.

"Don't worry about that." Hiccup tells her. "Besides, my dad is the chief of the village."

"Okay." Maria whispers scared. Astrid looks over to see a large bruise on the side of her neck and sighs.

"What do you mean use found her on a beach?" Stoick asks.

"We found her and she was unconscious, but there was no sign of any kind of boat." Hiccup explains. "We couldn't leave her." Hiccup adds.

"Has she said anything about where she's from, who she is?" Stoick asks.

"Uh no." Hiccup replies. "Look dad, I don't think she has anywhere else to go."

"Keep a close eye on her." Stoick tells him. "We don't know anything about her."

"Got it." Hiccup said and Stoick walks off.

"She has a bruise; on the side of her neck." Astrid tells Hiccup who looks at her. "I saw it, on the way here." Astrid adds.

"There is something about her that doesn't sit right." Hiccup said as he looks over to see Snotlout next to Maria who looked a little scared. "I better take her to my place, get her something to eat and maybe, get her to tell me a bit about herself." Hiccup then said.

"Just be careful, I don't trust her." Astrid tells him and Hiccup nods, then walks over.

"Come on Maria." Hiccup said and Maria walks over. She then follows Hiccup with Toothless right behind her. Once at Hiccup's house, Hiccup leads Maria to the table and she sat down. Toothless sat close by, staring at her and Maria sighs. "Sorry about Toothless, he doesn't normally act like this." Hiccup said.

"Don't be, I'm a stranger." Maria whispers. "I understand." she then whispers as Hiccup walks over and sits across from her, sitting a cup of water down.

"Here." Hiccup said and Maria goes to grab, but Hiccup grabs her hand, seeing a large bruise around her wrist, shock and wondering how he missed it earlier. "What happened and who did this?" Hiccup asks and Maria pulls her hand put, placing her other hand over it.

"My dad." Maria whispers as she closes her eyes. "I'm on the run, from my village." Maria admits and Hiccup sighs.

"I'm sorry." Hiccup said and Maria opens her eyes.

"Don't be." Maria whispers as she grabs the cup and starts drinking the water.

"I'll get you something to eat." Hiccup said as he got up.

"Just some bread will do." Maria whispers and Hiccup nods. Maria then saw Hiccup's left leg and quickly looks away as Hiccup looks at her. "Sorry." Maria whispers as Hiccup walks back with some bread

"Don't be." Hiccup said. "Maria, if you don't mind me asking, how did you get here?"

"I rather not." Maria whispers.

"That's okay." Hiccup assured her and Maria smiles. 'I can't force her, she'll run off.' Hiccup then thought as Maria starts eating.

"Sorry." Maria whispers.

"You say sorry a lot." Hiccup tells her. "And don't say sorry."

"I'mâ€¦ it's a long story and I really don't want to get into it yet." Maria tells him.

"Yet." Hiccup said confuses.

"When I trust you a bit more, I might tell you, but until then, well you can understand." Maria explains.

"I can." Hiccup said. Then Stoick walks in, slamming the door open and cause Maria to jump.

"Sorry." Stoick said and Maria sighs.

"Everything okay dad?" Hiccup asks.

"I need you and Toothless help with something." Stoick tells him.

"Sure, I'll take Maria to stay with Fishlegs." Hiccup said as he looks at Maria who nods.

"Meet me at the Great Hall." Stoick said walking out.

"Come on." Hiccup said and the pair started walking. Maria stayed quiet. "Are you okay?" Hiccup asks.

"I'm fine." Maria whispers as Toothless walks past her.

"Did you have any kind of dragons on your island?" Hiccup asks.

"One, but no one really saw it." Maria replies. "Dragons aren't around where I am from." Maria adds and Hiccup smiles. They made it to Fishlegs' place to see Fishlegs out the front with Meatlug.

"Hey Hiccup." Fishlegs greets.

"Hey." Hiccup said. "Look, can you do something for me?"

"Sure, what is it?" Fishlegs replies.

"Can Maria stay with you, I have to go and help my father?" Hiccup asks.

"Sure." Fishlegs said nervous.

"Be back when I can." Hiccup said as he turns to Maria who nods. Hiccup then jumps on Toothless and flies off and Maria sighs.

"Well, I don't think she is." Hiccup tells him. "She's on the run, I don't understand why yet, but she has a bruise around her wrist. She said it was from her father." Hiccup explains.

"Is Fishlegs with her now?" Stoick asks.

"Yes, dad give her a chance, please." Hiccup pleads.

"I will, as soon as you find out how she got to Berk." Stoick tells him.

"There was a huge storm last night." Hiccup tells him.

"And no sign of any kind of boat, we can't trust her." Stoick tells him.

"I'll find out dad, I promise." Hiccup said and Stoick nods. Then Astrid runs in and over to them. "What is it Astrid?" Hiccup asks.

"Did you say Fishlegs could tell Maria about dragons?" Astrid asks.

"No, why?" Hiccup asks.

"He's told her everything." Astrid replies.

"Hiccup." Stoick said.

"I got it dad." Hiccup said running off with Astrid and Toothless. "Where she's from, there weren't any dragon so maybe she got curious." Hiccup told Astrid.

"Is everything okay?" Maria asks softly.

"You got to understand Maria, we don't know anything about you or even how you got here." Hiccup starts.

They made it to the arena, Maria and Edda stayed at the back. Maria then sighs as she stops walking and Edda nudges her.

"Is everything okay?" Astrid asks as the others stop, all looking at her.

"I don't want to sound ungrateful, butâ€¦" Maria starts and sighs as

she wraps her arms around herself. "Why are you being so nice to me? You guys just, well took me in with little to no information on who I am, where I am from or anything. As I said, I don't want to sound ungrateful, but I'm confused. No one has been so nice to me before." she then explains and looks down. Hiccup walks up to her and Maria looks up at him.

"You're like us, a rider." Snotlout tells her and Maria sighs.

"Ignore him." Hiccup said. "As for us, we're good people and want to help. You said so yourself, you wanted to find a place where you and Edda can belong. Here at Berk, you can, here you are welcome." he then explains. Edda the nudges Maria who sighs as she looks at her.

"Really." Maria whispers.

"Come on." Hiccup said and the trio walks to the group.

"What do you mean by no one has been nice to you?" Astrid asks.

"Where I am from, everyone hates me. Like I was an accident that was ever meant to be born. Even my family hates me. I taught myself everything and when I met Edda, I had someone to talk to." Maria explains.

"Don't worry, while you are here, you will never have to worry about any of that." Snotlout said walking over and stands next to Maria who sighs.

"But I also, um, can't read, write or spell." Maria admitted.

"Don't worry, I'm sure we can teach you." Hiccup said and Maria smiles. "Well I should welcome you to dragon training." Hiccup said.

"Dragon training?" Maria said confused as she looks at Edda, then back at Hiccup.

"Yeah, you have train Edda." Hiccup said. Maria looks at Edda and sighs.

"Edda hasn't been train a day in her life." Maria tells them as she face them. "We grew up together, I trust her and Edda trusts me." Maria explains.

"You never trained or anything." Hiccup said.

"Don't worry," Snotlout said as he wraps his arm around Maria. "It's easy." he then said. Edda growls at Snotlout who walks back to Hookfang.

"Sorry, Edda is very protective over me." Maria said. "When we were leaving, I had to stop her killing someone."

"Be careful Snotlout." Astrid said and Maria sighs as she turns around to face Edda and crouches, patting her.

"She's more than a dragon or a friend, she family and I know I can count on her being by me when I need her." Maria tells them. She looks next to her to see Fishlegs so she stands up.

"I can see what you asked a lot about Toothless now." Fishlegs said.

"Yeah." Maria whispers as she turns around. "So what do you do at this dragon training?" she then asks.

"We learn about the dragons more, understanding them." Hiccup said walking over. "I can catch you up and teach you everything I know about dragons." Hiccup tells her.

"I would like that." Maria said. "So, where do we start" she then asks and Hiccup smiles.

"Toothless." Hiccup said and Toothless walks over. Hiccup gets on Toothless and Maria gets on Edda. "Follow me." Hiccup said. Toothless runs and flies off and Edda follows him. Maria smiles as she looks around, taking in the view for the first time

"It's amazing here." Maria said.

"Yeah, it is." Hiccup said as he looks at her. "You don't have a saddle." he then said.

"Uh no, why? Is that a problem?" Maria asks as she pats Edda.

"No, I have just notices." Hiccup tells her.

"Can I ask you something?" Maria asks.

"Sure." Hiccup said.

"I'm just a little curious on what happened to your leg and Toothless' tail." Maria said and Hiccup smiles.

"Now that is a long story." Hiccup said and Maria smiles at him. "Follow me." he then said. Hiccup took Maria to the Cove and Maria looks around confused. Hiccup smiles as he got off Toothless.

"Why are we here?" Maria asks as she slides off Edda and walks over to Hiccup. She then looks back to see Edda and Toothless playing.

"This is where Toothless and mine friendship started, right here. I shot him down and once I released him, he crashed here. Since he couldn't fly." Hiccup explains as he sits down and Maria sat down with him. "For it all to make sense, I'll start from the beginning, when I first shot down Toothless" Hiccup tells her and Maria smiles.

5. Chapter 5

Hiccup and Maria are sitting at the Cove, Hiccup finished telling his story and Maria smiles.

"That's some story." Maria said.

"Hey guys!" Astrid shouts as she lands with the others behind her.

"What are you doing?" Tuffnut asks.

"Talking." Hiccup replies as they sat down in a circle, Snotlout sat next to Maria who sighs. "I was telling her about Toothless and how I lost my leg" Hiccup tells them.

"What about you and Edda?" Astrid asks. "I mean you have to have a story. How did use meet?"

"Well, I was walking around my island, I was 4 I think, I don't remember. I found her by a rive. Of course I had no idea what she was, but I still approached her. She was small and she looked at me, then jumped at me. I took her back and looked after her till she started to get bigger. I knew if my parents and brother found out, I was dead. I found a nice area, kinder like this one and looked after her. We just grew up together. Then she started flying, I remember my first time in the air, it was amazing, I was scared, but still. When I was 10, I stopped going home, I just stayed with Edda, and Edda looked after me, protected me and kept me warm at night. Then they found out. My village, they attacked us, my father grabbed by my wrist and dragged me away. I called for Edda. He then wrapped his hand around my throat. I was so scared. Edda then knocked him down and went toâ€¦ kill him, but I stopped her. I got on her and we just left. We left and we never looked back. I heard my father shout he will find me, no matter where I go, he will find me. I didn't get a chance to pack anything. We flew for days, weeks, maybe months to be free. Free from pain, fear." Maria explains.

"Wow, I'm sorry, maybe I shouldn't have asked." Astrid said.

"Don't be sorry." Maria said. "But my father will come for me and when he does, he will take me home and kill me."

"Let him come, I can take him down." Snotlout said.

"You don't know my father, he would kill anyone who get in his way. I have seen it before. He thinks because he's the chief he can do anything." Maria said as she got up and walks away. Edda then runs over to her and Maria sighs as she drops to her knees, hugging Edda.

"Maria." Hiccup said as he got up and walks over. "We can take him." Hiccup tells her.

"He's right, we have dragons." Astrid adds as she walks over and Maria looks at them.

"You really think so." Maria whispers.

"We can talk to my dad." Hiccup said and Maria nods. Hiccup helps her up and they all headed back. They landed by Gobber's Blacksmithing Forge to see Gobber and Stoick. "Dad!" Hiccup shouts as he slides off Toothless and walks over with Maria and the other behind him.

"What is it son?" Stoick asks.

"Maria has something to share." Hiccup said. Maria takes a deep breath and told Stoick everything she told the others. When she was done, Maria showed him her bruised writs and Stoick sighs.

"How could anyone do that to their child?" Stoick said. "You really think he will come for you." Stoick asks.

"Yes sir, my father is rude, careless and an evil man." Maria replies as she wraps her arms around herself.

"This could be a problem." Gobber said.

"We'll need weapons." Stoick said and Maria sighs. Stoick walks up to Maria and place his hand on her shoulder. Maria tensed for a second, but relaxed.

"I can leave." Maria whispers as she looks up at Stoick.

"No, you stay here with us. We will look after you, you are now one of us." Stoick tells her. Maria looks at him shock and Stoick pulls her into a hug. Maria smiles.

"Thanks dad." Hiccup said smiling and Stoick looks at her.

"Well we better get working." Gobber said. Stoick lets Maria go and Maria walks back.

"Hiccup, you keep her close to you." Stoick tells him and Hiccup smiles.

"I will." Hiccup said "Come on" he then said and the pair walks out to the others.

"You think you father is going to take Maria in as his own?" Astrid asks.

"Are you okay?" Fishlegs asks as he walks up to Maria who looks at him.

"Uh yeah." Maria replies. "I just don't remember the last time I was hugged by someone." she admits.

"Well we have a lot to work to do." Hiccup said and Maria smiles. "You think you are up for it." Hiccup asks.

"I am." Maria said.

"Let's go then." Hiccup said. Everyone got on their dragons, Maria pats Edda and looks at Hiccup. "Let's go." Hiccup said and they all started flying. Maria smiles and for the first time, was ready for her future.
